Project Information

The Monument Thong Lo Condominium is a Super Luxury comprises of a single building, having a 45-storey with six basement floors for parking . Appreciate room to enjoy life to the fullest in a rare development that is big on space. From residential unit sizes unlike any other being built, to majestic trees that have stood in the grounds for over a century, the larger than life proportions magnify the luxury of living in an age when every square inch increases your gratitude for everything life has to offer. Set on heart of Thonglor, the best location in Bangkok with very convenience, close to BTS, lot of resturants, and shopping malls. This project is currently under construction with completion planned in 2019.
